#### Taylor L. Booth Education Award

A bronze medal and US\$5,000 honorarium are awarded for an outstanding record in computer science and engineering education. The individual must meet two or more of the following criteria in the computer science and engineering field:

- Achieving recognition as a teacher of renown.
- Writing an influential text.
- Leading, inspiring or providing significant education content during the creation of a curriculum in the field.
- Inspiring others to a career in computer science and engineering education.

Two endorsements are required for an award nomination. See the award information at:
